## The Today Show

Our school had the privilege of performing on the Today Show on NBC on Friday, March 15<sup>th</sup>. Our dancers got a 30 second bump spot and a one minute performance. Even some of our parents made the tv. Thank you to our dedicated school parents who drove our dancers out to Bayside and to Smithtown to ensure everyone got the chance to practice together. Our dancers were well prepared and looked fabulous. It was a great day for our dancers and for our school. Most of our dancers went out for breakfast after the

performance. IT was such a fun day for our school!

Congratulations to Alex, Mary, Monica, Jana, Kristen, Kaitlyn, Julia, Emily, Ciara, Madeline, Charlotte, Kiera, Quinn, Molly, Megan, Emma, Siobhan, Emily and Madeline.

## March Shows

This month of March was one of the craziest. We had 22 shows, 1 parade, the Second Annual Bayside St. Patrick's Day Parade, 1 television appearance, The Today Show on NBC and one concert with the Irish Folk band "We Banjo 3" at the Schimmel Center at Pace University. Dancer from Bayside drove out to Smithtown

for some of our shows. Our dancers just couldn't get enough and couldn't miss a gig! Thank you to all our dancers who came out to perform and thank you to all the parents who spent their weekends gigging with us! Parents reserve all your weekends in March for St. Patrick's Day Show's next year, we already have 11 booked only 11 more to go!
