costume

Grade Exams

Grade exams are individual exams in which a dancer fulfills a set number of requirements and receives a written assessment of their performance. There are 12 grades in total. Each grade must be passed and certificate awarded before a candidate may attempt the next level. A dancer who successfully completes all grades will be awarded “The Diploma of Irish Dancing Commission.” The ultimate goal of the grade exams is to develop a candidate’s physical skills, stamina, expression, musicality and an appreciation and knowledge of the traditional dances and culture. Our dancers will begin taking grade exams over the course of this year to further their skills and dancing ability.

Special thank you to..

Claire Spinetti who has been teaching classes and running shows for our dancers!

Jana Lobmeyer for Oireachtas presents for our dancers
